defined by excellence.

Blue Water
SHIPPING

ABOUT US.

Blue Water Shipping stands as a trusted name in global shipping operations, delivering seamless and compliant services to ship owners, charterers, and operators worldwide. We offer end-to-end shipping solutions from vessel agency, crew handling, and port clearance to ship-to-ship (STS) transfers and offshore coordination. With strategic operations across the UAE and Oman, we combine regional expertise with global standards to ensure efficiency, reliability, and safety in every voyage.

MISSION.

At **Blue Water Shipping**, our vision is to become a globally respected and trusted leader in shipping and maritime services, redefining excellence through innovation and reliability. We aim to shape a future ready maritime industry built on **sustainability, technology, and customer confidence**. By expanding our global presence, enhancing operational standards, and building **lasting relationships**, we strive to create a connected, efficient, and forward-moving shipping network that truly goes beyond borders and beyond expectations.

VISION.

At **Blue Water Shipping**, our vision is to steer the future of maritime logistics with integrity, innovation, and excellence. We aspire to be the partner of choice for **global shipping solutions**—where reliability meets sustainability, and technology drives progress. Through continuous improvement, strategic expansion, and a people-first approach, we aim to shape a safer, smarter, and more **sustainable maritime world** that connects oceans, economies, and communities with **purpose**.

GLOBAL PRESENCE.

Strategically Located Across
Key Maritime Hubs.

Blue Water Shipping operates in major ports and anchorages across the Middle East and Asia, ensuring a strong operational network to support shipping clients globally.

Key Locations:

We provide comprehensive maritime services across the Arabian Gulf and the Gulf of Oman, ensuring seamless operations and reliable support at all ports.

- **UAE:** Serving all ports across the United Arab Emirates
- **Oman:** Serving all ports across the Sultanate of Oman

Our global network allows us to deliver timely vessel support, port coordination, and round the clock operations, ensuring zero delays and total compliance.

OUR CORE VALUES.

Reliability

We believe trust is built on consistency. Every operation and service we deliver reflects dependable performance and timely execution. Our clients rely on us because we deliver what we promise always.

Safety

Safety is the foundation of our work. We follow the highest international maritime standards to protect people, assets, and the environment. Every process is executed with care, precision, and responsibility.

Innovation

We embrace innovation as our driving force. Through technology and creative thinking, we evolve to enhance efficiency, sustainability, and operational excellence in global shipping.

Integrity

We operate with honesty, fairness, and transparency. Integrity shapes how we conduct business ethically, responsibly, and with full accountability to our clients and partners.

Customer Focus

Our clients are at the heart of everything we do. We understand their challenges and provide tailored solutions that deliver value and exceed expectations every time.

SHIP-TO-SHIP (STS) TRANSFER SERVICES.

Safe. Seamless. Globally Compliant.

At Blue Water Shipping, our Ship-to-Ship (STS) Transfer Division ensures safe, efficient, and fully compliant cargo transfers between vessels at sea or offshore anchorages. Operating across Oman, UAE, and Singapore, we deliver world-class STS operations that meet the highest international standards of safety and precision. Whether it's crude oil, refined products, LNG, LPG, or dry bulk, every transfer is carefully planned, executed, and monitored by certified professionals to guarantee flawless performance.

01

Strategic STS Hubs

Operations in key offshore zones across Oman, UAE, and Singapore all approved and equipped for secure STS handling.

02

Expert Planning & Risk Management

Detailed pre-operation planning including navigational risk assessment, weather checks, and compliance review for smooth execution.

03

Certified Mooring Masters & Supervisors

Our experienced Mooring Masters (POACs) and STS Superintendents oversee every stage of the transfer to ensure full safety and accuracy.

04

State of the Art Equipment

We provide Yokohama fenders, certified hoses, and lifting gear, all maintained to international standards and regularly inspected.

05

Full Compliance & Documentation

All operations follow MARPOL, OCIMF, and local port regulations, supported by complete documentation, reports, and post-operation summaries.

06

24/7 Operational Support

Our control center operates round the clock, providing live updates and responsive coordination for every STS operation.

EMPOWERING PEOPLE WHO PREFER SEAS.

At Blue Water Shipping, we know a vessel is only as strong as its crew. Our Crew Management Division ensures safe, efficient, and compliant handling of all crew operations from port calls to repatriation with complete care and coordination.

Our Expertise Includes:

Crew Change & Transfer Management

Handling of on-signers and off-signers, including immigration formalities, port clearance, and transport logistics.

Visa & Travel Coordination

Managing crew visas, flight bookings, and documentation in compliance with maritime regulations.

Health, Safety & Welfare

Providing medical assistance, accommodation, and welfare facilities during port stays.

Shore Pass & Immigration Formalities

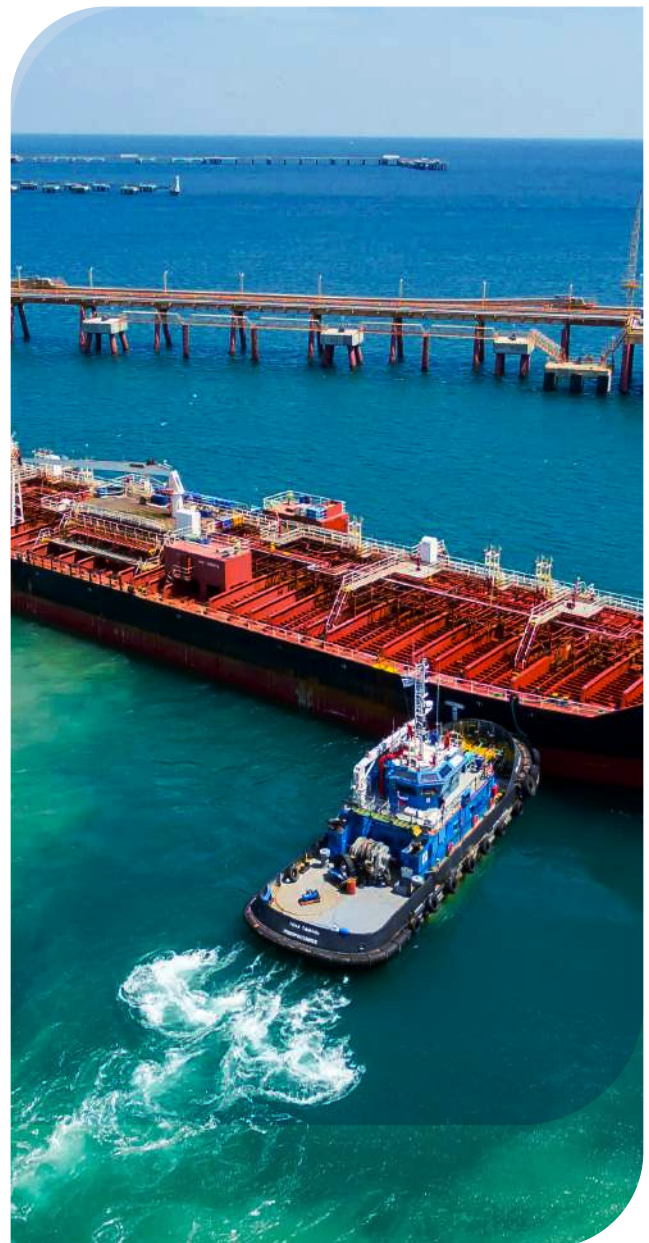

Seamless coordination with port and immigration authorities for quick crew movements.

Repatriation & Emergency Support

24/7 emergency response and crew repatriation arrangements during unexpected changes.

Our Commitment

We deliver reliable and people focused crew management, ensuring vessels operate smoothly and crews stay protected. With an expert team and 24/7 coordination across major ports, every movement is managed with efficiency, care, and compliance.

WHY CHOOSE BLUE WATER SHIPPING?

Connecting Oceans with Integrity and Expertise.

At **Blue Water Shipping**, we don't just move vessels we move trust across oceans. Every operation we handle reflects our commitment to precision, integrity, and reliability, ensuring your voyage remains smooth, safe, and successful. We combine decades of maritime experience with modern technology and round the clock coordination, giving you complete confidence at every stage from port to port, and beyond borders.

BLUE WATER SHIPPING ADVANTAGE.

Unmatched Expertise

Decades of hands on experience in global shipping operations.

24/7 Operational Readiness

Always connected, always responsive, wherever your vessel sails.

Safety Beyond Standard

Strict adherence to international maritime and STS safety protocols.

Global Network, Local Knowledge

Seamless coordination across UAE, Oman, and Singapore.

Trusted Partnerships

Long standing relationships built on transparency and consistency.

Efficiency in Motion

Fast, compliant, and cost effective shipping operations every time.
